Annexation Of Territory

Section 3.

The Town has power to annex additional contiguous territory adjoining the corporate limits of the Town and to apply to annexed additional territory a law, ordinance, resolution, or policy in force in the Town to the annexed territory. For purposes of this section, "contiguous" means that a part of the boundary of the territory sought to be annexed is coterminous with a part of the boundary of the Town or coterminous with another territory proposed for annexation that is coterminous with the boundary of the Town; provided, however, that a territory whose contiguity to the Town's boundary is dependent on the contiguity of a connecting territory may be annexed only if the connecting territory is also annexed.

(a) Initiation of Annexation Proceedings.

(1) By Petition of the Property Owner. A property owner of territory contiguous to the existing corporate limits of the Town may petition the Town Council in writing to annex the property owner’s territory to the Town. A petition under this paragraph must be duly executed and acknowledged by the petitioner, describe the territory proposed for annexation, state the reasons for the requested annexation, and identify the proposed zoning district classification for the territory. The Town Council may, within 90 days following the filing of the petition in the Town Office, vote to accept the petition and proceed under subsection (b) of this section, or to reject the petition. A petition not accepted within 90 days is void, and a petition for the annexation of the territory may not be resubmitted to the Town Council for reconsideration until 1 year from the date of the original annexation petition.

(2) Resolution of the Town Council. The Town Council may adopt a resolution proposing the annexation of a territory contiguous to the Town. A resolution under this paragraph must describe the territory proposed to be annexed, state the reasons for the proposed annexation, and identify the proposed zoning district classification for the territory. Upon adoption of a resolution under this paragraph, the Town Council shall adopt a resolution under subsection (b) of this section. The resolution under this paragraph may be adopted at the same Town Council meeting at which the resolution required in subsection (b)(1) is also adopted.
(b) Annexation Procedure. After annexation is proposed under subsection (a) of this section, the annexation procedure is as follows:

1. Resolution and Notice. The Town Council shall adopt a resolution notifying property owners and residents of the Town and the territory proposed for annexation that the Town proposes to annex the territory which adjoins its then-corporate limits.
   a. A resolution under this paragraph (b)(1) of this section must contain all of the following:
      1. Describe the territory proposed for annexation.
      2. Identify the zoning district classification proposed for the territory.
      3. State that a qualified resident has the right to object to the annexation.
      4. Fix a time and place for a public hearing on the proposed annexation and zoning.
   b. A resolution under this paragraph (b)(1) of this section may also provide that if the annexation is finally approved, the Town is not obligated to provide municipal services or extend municipal facilities or improvements unless and until the Town Council, in the sole exercise of its reasonable discretion, determines that it is appropriate for the Town to do so or the owner or developer of a territory, or portion of the territory, proposed for annexation, binds itself to any of the following as required by the Town:
      1. To pay in full all costs and expenses, with reasonable surety acceptable to the Town, to provide the municipal services.
      2. To extend or construct the municipal facilities and improvements to serve such lands in strict accordance with all governing federal, State, and Town regulations and standards.
   c. After adopting a resolution under this paragraph (b)(1) of this section, the Town Council must do all of the following between 14 and 60 days before the date set for the hearing:
      1. Publish a public notice containing the full text of the resolution no less than 1 time in a newspaper of general circulation in the Town in bold print or bordered in black.
      2. Post a public notice containing the full text of the resolution in at least 5 public places in the Town and in at least 1 place, viewable to the public, in the territory proposed to be annexed.
      3. Comply with the applicable provisions of Chapter 92 of Title 29.
      4. Send a copy of the public notice, via certified mail, to the owners of record of the lands proposed to be included in the annexation at their addresses as shown on the public tax records. Written notice to 1 co-owner constitutes notice to all.

2. A qualified resident may file a written objection to the annexation with the Town at any time before the close of the public hearing held under paragraph (b)(3) of this section. For purposes of this section, a "qualified resident" means an individual residing in the territory proposed for annexation who is not a property owner but who is qualified under paragraph (b)(6)a.2. of this section to vote for the annexation.

3. Public Hearing. At the public hearing, the Town Council shall hear comments and opinion and obtain facts from the public regarding the proposed annexation and proposed zoning district classification. The Town Council is not bound to act in response to information or comments offered at the public hearing.

4. Annexations Not Requiring Special Election; Resolution Ordering Special Election.
   a. The Town Council may, within 6 months of the public hearing and without holding a special election, vote to accept the annexation by adopting a final resolution annexing the territory under paragraph (b)(10) of this section if all of the following apply:
      1. The proposed annexation is either initiated at the written petition of all of the owners of record of all lands proposed for the annexation or consented to in a notarized writing signed by all the owners and submitted to the Town Council no later than the conclusion of the public hearing held under paragraph (b)(3) of this section.
      2. The Town has not received a written objection from a qualified resident of the territory proposed for annexation.
   b. If all owners of property considered for annexation do not petition or consent to annexation or if a qualified resident of the territory proposed for annexation submits a written objection, the Town Council may adopt a resolution ordering a special election regarding the proposed annexation. This resolution is also the determination of the Town Council to proceed with the annexation and zoning district classification proposed in the resolution if the election results are in favor of the annexation. A resolution under this paragraph (b)(4)b. of this section must do all of the following:
1. Set the date, time, and place of the special election, which must be between 14 and 60 days after the date of the resolution proposing the special election.

2. Describe the territory proposed for annexation and the zoning district classifications that will be assigned to the territory if annexed.

(5) Notice of Special Election. The Town Council must publish notice containing the full text of the resolution adopted under paragraph (b)(4)b. of this section as required under paragraph (b)(1)c. of this section.

(6) Voting.
   a. The following persons are entitled to 1 vote in a special election under this section:
      1. An individual residing in the territory proposed for annexation if the individual is a United States citizen, 18 years or older, and has continuously been a bona fide resident of the territory for 30 days or more before the special election.
      2. An individual or legal entity owning record title to real property in a parcel proposed for annexation is entitled to 1 vote.
   b. Paragraph (b)(6)a. of this section must be construed with the principle of “1 person, 1 vote”. If a voter is entitled to vote by virtue of both residence and ownership of property or is entitled to vote by ownership of 2 or more parcels of real property, that voter is entitled to only 1 vote.
   c. An individual or a legal entity entitled to vote under paragraph (b)(6)a. of this section may cast a vote by a duly executed and acknowledged power of attorney and the power of attorney constitutes conclusive evidence of the right of the individual to vote in the special election on behalf of the legal entity or individual granting the power if the power of attorney is filed as follows:
      1. The power of attorney must be surrendered to the Board of Special Elections.
      2. The Board of Special Elections must file the power of attorney in the Office of the Town Manager.

(7) Conduct of the Special Election. The form of ballot for a special election under this section is as follows:
   ____ For the proposed annexation.
   ____ Against the proposed annexation.

(8) The Town Board of Elections appointed under Section 7(f) shall act as a Board of Special Elections for the annexation and is the sole and final judge of the legality of the votes offered at the special election. The Board shall keep a true and accurate list of each individual and legal entity who votes. The polling place must be open for the period of time that the Town Council determines is reasonable and appropriate, but the polling place must be open for no less than 1 hour. A person in the polling place at the time the polls close must be permitted to cast a vote.

(9) Results of Special Election; final resolution. The territory proposed to be annexed is considered approved for annexation if a majority of the votes in the special election are cast in favor of the proposed annexation.

(10)a. The Town Council must adopt a final resolution annexing the territory that includes all of the following:
      1. A statement that includes the annexed territory within the limits of the Town.
      2. The zoning district classification of the territory.
      3. If the resolution proposing annexation under paragraph (b)(1) of this section provided that the Town is not obligated to provide municipal services or to extend municipal facilities or improvements to the annexed territory, a statement containing the same provisions.
   b. Copies of the final resolution under paragraph (b)(10)a. of this section, signed by the Mayor and certified by the secretary, with municipal seal affixed, together with a plot of the area annexed, must be filed immediately for record in the Office of the Recorder of Deeds in and for Sussex County and sent to the Office of State Planning or its successor agency.
   c. The Town Council may publish and post notice of the final resolution annexing the territory as follows:
      1. Published no less than 1 time in a newspaper of general circulation in the Town.
      2. Posted in at least 5 public places in the Town and in at least 1 place, viewable to the public, in the territory annexed.
      3. Be in bold print or bordered in black and include a description of the territory annexed and the zoning district classification.
      4. State that a challenge to the annexation must be filed within 60 days from the date of the first publication or posting of the notice.
d. The territory annexed is part of the Town from the date of the adoption of the final resolution. Failure to record the resolution, the plot accompanying the resolution, or to publish or post notice of the final annexation resolution does not invalidate the annexation.

(11) Simultaneous Annexation Proceedings. If multiple parcels otherwise meet the requirements of this section for contiguity, in conducting the special election, the Town Council may do any of the following:

a. Combine all contiguous parcels proposed for annexation as 1 “territory”.

b. Simultaneously conduct a special election for each parcel or a combination of contiguous parcels.

(12)a. Annexation Agreements. Annexations may be made contingent on an annexation agreement with the Town that addresses each matter relevant to the annexed lands if annexed, such as zoning, subdivision approval, site plan approval, tax relief, public utilities, and public improvements. If the Town Council approves an annexation agreement, the agreement is deemed a material part of the annexation, and the Town and the petitioners are bound to honor the provisions of the agreement unless released by the other party.

b. An annexation agreement may not extend beyond 7 years from the date the property is annexed into the Town and is void and unenforceable after the expiration of 7 years. The termination of an annexation agreement does not impact the annexed property's status as being included in the Town's municipal boundaries.

c. An annexation agreement may be modified or amended by mutual agreement of the petitioner and the Town Council at any time before the resolution ordering the special election under paragraph (b)(4)b. of this section or, when a special election is not required, the adoption of the final resolution under paragraph (b)(10) of this section. A substantial modification or amendment to an annexation agreement constitutes the withdrawal of the original petition and the filing of a new annexation petition.

(13) Property Owned by the State of Delaware; Highways, Streets, Roads, and Alleys; Ponds, Canals, Streams, and Other Waters.

a. Real property owned by the State of Delaware may be annexed into the Town without the State casting a vote in the special election, provided the State agency having control and supervision of the real property does not provide the Town with written notice of an objection to the annexation within 30 days after notice of the resolution proposing the annexation under paragraph (b)(4)b. of this section.

b. Highways, Streets, Roads, and Alleys; Ponds, Canals, Streams, and Other Waters. Contiguity with the Town's existing corporate limits, or with other territory that is contiguous with the Town's existing corporate limits, is not interrupted by the existence of a highway, street, road, alley, pond, canal, stream, or other body of water running parallel with and between the Town and the parcel sought to be annexed. However, this paragraph (b)(13)b. of this section may not be construed to allow a right of way, utility easement, waterway, or like entity to be annexed in "corridor" fashion or to be utilized as a corridor route for annexation to create contiguity.

(14) Limitations. An action contesting the annexation of a territory under this section may not be brought after the expiration of 60 days from the publication of a notice under paragraph (b)(10)c.

(15) Re-submission of Proposed Annexation. Nothing in this section prohibits the Town Council from resubmitting a proposal for annexation to the voters of a territory, or a portion thereof, under this section. 82 Del. Laws, c. 236;

(c) Each of the qualifications for members of the Town Council shall be continuing qualifications to hold office and the failure of any member of the Town Council to have any of the qualifications required by this Section during his/her term of office shall create a vacancy in the office. If the Town Council determines that the candidate does not meet the qualifications for office, it shall reject his/her notice of intention to seek office and his/her name shall not appear on the ballot. In making the determination, only those members of the Town Council who are not competing for that seat shall be entitled to vote on the question.

Members of the Board of Elections shall be the sole and final judges of the conduct of the election and of the legality of the votes offered. The Board of Elections shall keep a list of all voters voting at said election. The Board of Elections shall have the power to subpoena persons, and officers of the Town, and books, records and papers relative to the determination of the qualifications of voters and the legality of any vote or votes offered. If the owner of real estate cannot be found or ascertained, the Tax Assessor shall assess the real estate to "Owner Unknown." A mistake in the name of the owner or a wrong name or an assessment to "Owner Unknown," does not affect the validity of the assessment of a municipal tax or assessment, but the assessment must specify the last recorded owner of the real estate as appear in the records in the Office of the Recorder of Deeds, in and for Sussex County.

(b) The Tax Assessor shall make a personal assessment of each citizen of the Town who is 18 years or older, including citizens who own real estate and citizens that do not. (e) The annual assessment must distinguish the real and personal assessment of each person and must also be arranged so that the land, the improvements thereon, and the per capita assessment appear in separate columns or spaces. In making this assessment, the Tax Assessor shall make its valuation accordingly.

(f) The Town Council shall assess the real property of the Tax Assessor.
(g)(1) Immediately upon receiving the annual assessment list from the Tax Assessor and adopting a resolution incorporating the additions to tax bills into the annual assessment list, the Town Council shall post a full and complete copy of the annual assessment list containing the amount assessed to each taxable in a public place in Town. (4) A member of the Town Council may not sit upon the member’s own appeal but the other members of the Town Council shall hear and determine the member’s appeal.

(h) The Tax Assessor shall be present on the day fixed for hearing appeals and shall furnish to the Town Council the information and answer the questions as the Town council may require in respect to any assessment for which an appeal has been taken. The Town Council has the authority to enforce the attendance of the Tax Assessor by appropriate process. 82 Del. Laws, c. 236;

Section 26.

(a) At the first regular meeting in the last month of the fiscal year, after having revised and completed the assessment, the Town Council shall determine, in its best judgment and knowledge, the total amount that the Town must raise to meet the fixed and anticipated expenses and obligations of the Town, including reasonable and appropriate reserves, for the current fiscal year under the Town Budget for the year plus a reasonable amount to cover anticipated expenses and emergencies.

(b) After complying with subsection (a) of this section, the Town Council shall determine, in its sole discretion, from which sources of the Town’s authorized revenues the amount the Town determines will be raised and, within the limits prescribed by this Charter with respect to the source, the amount to be raised from each source. At the first regular meeting in the last month of the fiscal year, the Town Council shall adopt a resolution approving the final assessment list, including additions to tax bills adopted by the Town Council under Section 25(d) of this Charter, and establishing the rates to assess and levy any of the following:
   (1) The rate of tax on real estate including improvements thereon per $100 of the assessed value.
   (2) The amount of personal or per capita tax upon each citizen of the Town who is 18 years or older.

   (4) The several license fees to be charged for carrying on or conducting of the several businesses, professions, or occupations more particularly mentioned or intended to be mentioned in Section 29 of this Charter.
   (5) The several rates to be charged for furnishing water service, sewer service, electric service, gas service, and front footage assessment.
   (6) The fee or rate to be charged in respect to another authorized source of revenue sufficient in the Town Council’s judgment and estimation to realize the amount to be raised from each source determined by the Town Council to be used as aforesaid; provided, however, that sources in paragraphs (b)(4) through (6) of this section may be determined, fixed, assessed, levied, or altered or changed upon other than a fiscal year basis and at any regular or special meeting of the Town Council as the Town Council, in its discretion, shall determine.

(c) Immediately after the last regular meeting before the end of the fiscal year of each year, the Town Council shall make, or cause to be made, a full, true and correct Annual Tax List showing the amount of tax levied against each taxable thereon from sources in paragraphs (b)(1) through (3) of this section, along with additions to tax bills incorporated into the annual assessment list by the Town Council under Section 25 of this Charter. This list is the Annual Tax List of The Town of Greenwood. In addition to the information contained in the assessment
list, it must also contain information as to the rate of tax upon real estate for each $100 of assessed valuation thereof.

(d) The Town Council shall cause to be delivered to the Town Manager a duplicate of said Annual Tax List and the Tax Collector shall immediately proceed to collect the same as hereinafter provided.

(e) Nothing contained in this Charter shall be construed to affect or impair in any way the validity of any tax, fee, assessment or other charge lawfully levied, assessed or due The Town of Greenwood under the existing laws in reference to said Town and the same are hereby declared to be valid, binding and vested in The Town of Greenwood created hereby. 82 Del. Laws, c. 236;

(a) The Tax Collector shall proceed to collect those amounts identified on the Annual Tax List as soon as possible following the receipt of the Annual Tax List. In addition to powers otherwise delegated to the Town Tax Collector under this Charter, the Town Tax Collector has the same powers, remedies, and authority, including the monition procedure, as conferred upon the Receiver of Taxes for Sussex County under Chapter 87 of Title 9 or in accordance with any future corresponding provision of law. In exercising the powers, remedies, and authority under this subsection, the Town Tax Collector and the Superior Court shall follow the same procedures as applicable to the Receiver of Taxes under Chapter 87 of Title 9. 76 Del. Laws, c. 154;

(b) A tax laid or imposed by the Town of Greenwood in the Annual Tax List, including any additions to tax bills adopted by the Town Council under Section 25 of this Charter, is a lien upon all the real estate of the taxable for a period of 10 years against or upon whom the tax is laid or imposed, of which the taxable was seized or possessed after the tax was levied and imposed that is situated within the Town of Greenwood. But, if the real estate remains the property of the person or entity that was the owner at the time the property was assessed, the lien continues until the tax is collected. A lien under this subsection has preference and priority to all other liens on the real estate, created or suffered by the taxable, although the lien is of a time and date prior to the time of the attaching of the lien for taxes.

(c) All taxes, when and as collected by the Tax Collector, must be paid to The Town of Greenwood, and all taxes are due and payable at and from the time of the delivery of the Annual Tax List to the Town Manager.

(d) All taxes are payable at the Office of the Tax Collector during the regular business hours of that Office.

(e) (1) An amount on the Annual Tax List that has not been paid within 60 days of the mailing of the tax bill is considered delinquent and accrues interest for each month or fraction thereof that the amount remains unpaid at a monthly interest rate of 1.5%. The Town Council may make just allowances for delinquencies in the collection of taxes.

(2) In addition to the interest under paragraph (e)(1) of this section, the Town Council may also impose a collection charge reasonably calculated to recover the costs of collection, including court costs, sale costs, reasonable and necessary out-of-pocket expenses, filing fees, and reasonable attorney fees that the Town incurs in the collection proceedings. Interest and collection charges may be collected in the same manner as the amounts identified on the Annual Tax List, including through the use of the monition procedure.

(f) At the annual meeting of the Town Council of each year, the Tax Collector shall account to the Town Council for all taxes and sewer rentals collected during the year. The Tax Collector is liable on the Tax Collector’s bond for failure to account for any uncollected taxes or sewer rentals unless the Tax Collector can show to the satisfaction of the Town Council that all remedies permitted for the collection of said taxes were pursued without result or, if not pursued, the remedies would have been without avail. 82 Del. Laws, c. 236; 83 Del. Laws, c. 37;

The Town Council has the power and authority to lay out, locate, and open a new street or alley, or to widen or alter all or parts of an existing street or alley, and to close, vacate, or abandon all or part of an existing or proposed street or alley, whenever the Town Council deems it in the best interest of the Town.

(c) Resolution Proposing Change: Notice; Hearing. A resolution under this section must contain a description of the proposed change and must fix a time, date, and place when the Town Council shall sit to hear comments and objections concerning the proposal. At least 14 days before the date set for the public hearing, the Town Council shall print the resolution in a newspaper having a general circulation in the Town of Greenwood and post the resolution in 5 public places in the Town.

(d) Notice to Affected Property Owners. (2) Closed, Vacated, or Abandoned Street or Alley. When the Town Council determines to proceed with the closing, vacating, or abandoning of an existing street or alley, or a part thereof, no compensation may be paid to a property owner unless the closing, vacating, or abandoning deprives a property of all reasonable vehicular access directly between a public street or public alley and an existing garage, carport, or improved off-street parking area located on the property so that the property owner effectively loses the use of the garage, carport, or parking area for off-street parking or temporary storage of motor vehicles. A property owner who claims the deprivation of the use of a garage, carport, or parking area under this paragraph (f)(2) of this section must notify the Town in writing of the claim within 60 days of the resolution adopted under subsection (e) of this section. (f) Following said hearing, the Town Council, either at said meeting or at a subsequent meeting, shall decide whether to proceed with the improvements referred to in said ordinance or resolution, or any part thereof, and if it shall decide to proceed, it shall determine whether the whole or some specified proportion of the cost of the
improvements, repairs or replacements shall be assessed to the owner or owners of the property in front of or adjacent to whose property the said improvements, repairs or replacements are being constructed or installed. If the Town Council concludes that the whole or a specified proportion of said cost shall be borne by said owners, the said owners shall be compelled to pay the whole or the specified proportion of the cost of said work, the amount to be paid to be determined by the linear footage of the parcel in front of which the sidewalk is to be paved or repaved or the gutter to be laid, repaired or replaced or the curb to be repaired, constructed or installed or the street to be paved or repaved or any or all of said improvements, as the case may be.

If any owner shall fail to pay the specified amount within thirty (30) days after the mailing of said notice, the amount, together with costs and interest may be collected by the Town Council in the same manner and on the same terms and conditions as are provided in this Charter for the collection of delinquent taxes.

(h) Any notice sent to one (1) co-owner shall be notice to all owners and in a case where no owners reside within the corporate limits of The Town of Greenwood, notice served as set forth herein or posted upon the premises shall be sufficient.

(i) Provisions contained herein shall apply to any ordinance or resolution enacted or adopted by the Town Council in respect to any pavement, sidewalk, gutter, curb, street herefore made or done which the said Town Council may deem to need repair or replacement. 82 Del. (a) Subject to the limitations and conditions hereinafter set forth, the Town shall indemnify, from the general funds of the Town's Treasury, any person who is a party to, or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Town of Greenwood itself) by reason of the fact that he or she is or was a Councilmember, Mayor or other duly elected or appointed Town Official of the Town of Greenwood, or arising out of actions taken by each or any of them in connection with the performance of their official duties, against all expenses (including reasonable attorney's fees) judgments, fines and amounts paid in settlement, actually and reasonably incurred by him or her in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Town, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Town of Greenwood, and with respect to any criminal action or proceeding had reasonable cause to believe that his or her conduct was unlawful; provided however, that in the event of a monetary settlement, the Town Council shall first approve the amount and terms of the settlement before the right to indemnification shall vest.

(b) Indemnification as provided by this Charter shall be made by the Town only as authorized in the specific case upon a determination that indemnification of the Councilmember, Mayor and/or Town Officer is proper in the circumstances because he or she met the applicable standards of conduct set forth above. Such determination shall be made:

(1) By a majority vote of a quorum of the Town Council consisting of Council members who were not parties to such action, suit or proceeding, or
(2) If such a quorum is not obtainable, by impendent legal counsel in a written opinion.

(c) The right to indemnification hereunder shall be secondary to the coverages provided by any applicable policy of insurance and such policy(s) shall be construed and enforced as if no right of indemnification existed under this Charter. Nothing in this Section shall eliminate or reduce the scope or amount of coverage that would otherwise be in effect under any applicable policy of insurance but for this Section, and the right to indemnification shall be limited only to those amounts not covered by applicable policies of insurance.

(d) Anything herein to the contrary notwithstanding, the right to indemnification shall be limited, per incident, to a sum not exceeding the Town's total tax revenues for the two (2) fiscal years immediately preceding the incident giving rise to the claim.
