If reasonably possible, the Mayor shall notify each council member, in writing, by U.S. mail, personal delivery, fax, or email of the action so taken within forty-eight (48) hours. Notice shall be complete upon depositing such notice in the U.S. Mail, proper postage affixed, to each council member at his/her last known address, by personal delivery, or by confirmation of receipt of a fax or an email transmission. Any action taken by the Mayor under the powers vested in him/her under this section shall be as good as the act of the entire Council, provided that the Council may at a regular or special meeting

held within fifteen (15) days of the Mayor's action, cancel the further implementation of any such action not yet completed and notify any persons or legal entities affected.

5.2.2 Vice Mayor.

The Vice-Mayor shall act as Mayor during the absence or disability of the Mayor, and while so acting, shall be vested with all the powers, duties, and authority of the Mayor. The Vice-Mayor shall perform such other duties as may be assigned to him by the Mayor or by ordinance or resolution adopted by the Town Council.

5.2.3 Succession of Authority.

In the event that the Mayor is unavailable or incapable of assuming his/her responsibilities in a sudden emergency (as defined in section 5.2.1) the emergency powers therein vested in the Mayor shall devolve upon the following officers and officials of the Town in the following order of sequence: (1) Vice-Mayor, (2) each of the three remaining council members in order of their total number of years served on Council (and if two council members have served the same number of years, priority shall be given to the council member whose last name comes first in the alphabet), (3) the Town Clerk, and (4) the Water Commissioner.

5.3 Prohibitions.

Except where authorized by law, no member of the Town Council, nor the Mayor, shall hold any other Town Office or Town employment while serving in office.

It shall be unlawful for the Mayor or any member of Town Council or the Town's officers, agents, or employees, to make or enter into any contract or purchase order for materials, supplies, work or labor for the use and benefit of the Town with the Mayor or with any council member or with any partnership in which the Mayor or any council member is a partner, with any corporation in which the Mayor or any council member is a director or has a substantial financial interest, or with any other entity in which the Mayor or any council member has a substantial financial interest, except with the unanimous consent of the disinterested members of the Town Council, and such contract shall be absolutely null and void without such unanimous consent. For purposes hereof, the phrase "Mayor or any council member" shall include any member of that official's immediate family (mother, father, son, daughter, spouse, brother, sister, including half-brothers and sisters, step-family members and in-laws); provided, however, that nothing herein shall prohibit the Town Council, or the Town's officers, agents, or employees, from entering into any such contract without such unanimous approval where the amount involved in the transaction does not exceed the sum of \$1,000. No transaction exceeding said \$1,000 may be deliberately fragmented into two or more smaller transactions so as to avoid the \$1,000 limitation. The disinterested members of the Council shall be the final arbiters in determining whether any transaction or series of transactions were so fragmented, and in making such determination shall consider the totality of the circumstances surrounding such transactions.

5.4 Vacancies; Forfeiture of Office.

5.4.1 Vacancies.

The office of Mayor or council member shall become vacant upon his/her death, resignation, lawful removal from, or forfeiture of his/her office.

Where the conditions set forth in 5.4.2 (a), (b), or (e) are alleged to have occurred, a determination concerning such alleged forfeiture shall be made by the Council, but the affected party shall not have a vote in any such decision.

Such deliberations may be had in executive session, but subsequent votes by Council must take place in open session. If the Council determines by unanimous vote of the council members entitled to vote on the question that a forfeiture has occurred, it shall, within forty-eight (48) hours of that determination, provide written notice thereof to the affected council member, stating specific reasons. The affected party shall then have ten days in which to make a written demand for a public hearing before the Council, to be held within twenty (20) days of the written demand, at which hearing he or she may appear with the assistance of counsel and present evidence to the relevant issues. Thereafter, the Council shall hear any other relevant evidence and vote again on the question of forfeiture; and if a determination of forfeiture is again made by a unanimous vote of the disinterested council members entitled to vote on the question, the decision shall be final.

5.4.4 Failure to Request Hearing as a Bar.

Failure of the affected person to make written demand for a public hearing as hereinabove stated shall be an absolute bar to the right to challenge the Council's decision. During, or in connection with, any such proceedings, the Council shall have authority to subpoena witnesses, administer oaths, take testimony, and require the production of documentary or physical evidence, all of which shall be done if requested in writing by the affected person.

Each such vacancy shall be separate and distinct from any other such vacancy and from the full-term seats to be filled at such election; and shall be so designated on the ballot. The written notice of candidacy for election to fill a vacancy under this section shall specify the vacant seat for which the notice of intention to run is made, and no candidate shall file a notice of intention to run for more than one seat. The candidate receiving the highest number of votes for each such vacant seat shall be declared the winner.

5.5.2 Mayor.

In case of a vacancy in the office of Mayor, the Vice-Mayor shall assume the office of Mayor until the next regularly-ensuing municipal election and subsequent Annual Meeting, at which time the qualified voters of the Town shall elect a qualified candidate to fill the Mayor's seat on council for the remainder of the original term, if any. If the vacancy in the office of Mayor occurs more than three (3) months prior to the next regularly-ensuing municipal election, the Town Council may, at the next regularly scheduled Town Council meeting, after appointing a qualified person to fill the Mayor's seat on Council in accordance with section 5.5.1, elect a council member to fill the temporary vacancy of the Vice-Mayor position created by the Vice-Mayor assuming the office of Mayor. Such person shall serve only until the next regularly-ensuing town election and corresponding Annual Meeting whereat the sitting Town Council shall elect the next Mayor and Vice-Mayor.

5.6.2 Reimbursement of Expenses.

The Mayor and members of Council shall be reimbursed for their documented actual and necessary expenses incurred on town business if approved by the Town Council. Anything herein to the contrary notwithstanding, any member of the Town Council entitled to notice of a special meeting under this section may at any time, before, at, or after the holding of such special meeting, submit a written waiver of notice which written waiver shall make valid the holding of such special meeting at any time and for any purpose named in such waiver, or the transaction of any other business at the meeting, if the waiver so states. Additionally, attendance at any such meeting, except for the express and limited purpose of objecting to the holding of such meeting, shall constitute a waiver of notice for such meeting. Subject to the scope of the notice, the Town Council of the Town shall have the same power and authority to enact all ordinances, adopt all resolutions, pass all motions, make all orders and transact all business at any such special meeting, called as aforesaid, as Council has at a regular meeting.

In the event the property owner declines the option to have the work done at the property owner's expense, or, having elected that option, fails to do so, the Town may immediately proceed to have the work properly completed by the Town's staff and/or agents or contractors and assess the entire cost thereof against the property owner.

**17.4 Notice; Assessment and Collection of Costs; Lien.**

The Town Council shall give written notice to the owner(s) of each property subject to assessment under section 17.2 of the work to be done, the amount(s) assessed, the due date for payment, the terms of any payment arrangements offered by the Town, and (if applicable) the property owner's option to have the work performed at his/her expense (specifying the terms that will govern such election). Such notice shall also inform the property owner(s) that if the Town performs the work, the cost thereof shall constitute a lien against the property which may be enforced in the same manner as a tax lien. If such owner or owners shall fail to pay the amount assessed by the date specified in the assessment notice or in accordance with any payment terms offered by the Town, or (if appropriate) shall fail to have such work properly completed by the date specified in the notice and the Town performs the work, such amount(s) together with interest and costs, (including reasonable attorney's fees) may be collected by the same procedures as are set forth in this Charter for the collection of taxes. The amount so assessed shall be and constitute a lien upon all the property upon which,

adjoining, along, or in front of which the said work was accomplished for a period of ten years from the date of mailing of the notice of assessment. In the case of a life estate, the interest of the life tenant shall first be liable for the payment of any taxes so levied. Such lien shall have preference and priority to all other liens on such real estate as aforesaid, created or suffered by the said taxable, although such lien or liens be of a time and date prior to the time of the attaching of such lien for taxes; provided that if the real estate remains the property of the person(s) who was/were the owner(s) at the time it was so assessed, the lien shall continue until the same is collected in full.

17.5 Notice.

Whenever written notice is required to be given to any "owner" by this section 17, notice to one co-owner shall be notice to all. Notice may be given by mailing same, certified mail, return receipt requested, proper postage affixed, to said owner at his or her last known address as shown on the Town's tax records; provided, however, that the failure of any owner to actually receive such notice (being returned as, among other reasons, "unclaimed", "refused to accept", "moved, no forwarding address") shall not invalidate any action taken under this section 17. Notice may also be given by personal delivery to the property owner at the last address shown on the Town's tax records by leaving a copy of such notice with an adult person residing within the premises.

17.6 Change in Ownership.

The word "owner" as used in this section shall be deemed to mean the owner(s) of record of the property at the time of the resolution adopted under section 17.1, and any change in ownership thereafter shall not be deemed or held to affect any of the proceedings described in this section.

17.7 Construction Supervision and Standards.

The Town Council in exercising the authority granted by this section may employ such contractors, engineers, inspectors and others as the Town Council may deem expedient, and may use or require the use of such materials and substances and such methods of construction as the Town Council shall deem appropriate, in accordance with sound design, engineering, and construction methods.
