Section 3. Annexation of Territory

If it becomes feasible, or necessary in the future, for The Town of Milton to enlarge its then existing limits and territory, annexations accomplished under the following procedures are lawful:

- (a) Each and every property owner seeking annexation of territory contiguous to the then existing corporate limits and territory of the Town of Milton, by written petition with the signature of each property owner duly acknowledged, shall request the Mayor and Town Council to annex that certain territory in which the property owner owns property.
- (b) The annexation petition under paragraph (a) of this section must include a description of the territory requested to be annexed, a current survey, and the reasons for the requested annexation. If the annexation petition or annexation agreement is requesting a zoning classification other than R-1, a conceptual site plan is required. A property owner seeking annexation shall notify all residents within 200 feet of any boundary of the territory for which the property owner is seeking annexation at the property owner's expense and provide copies of the notification to the Town Manager or designee.
- (c) If the Town Manager or designee verifies the notifications provided under paragraph (b) of this section, the Mayor of the Town of Milton shall appoint a 3 member Special Review Committee to investigate the possibility of annexation and report back to the Mayor and Town Council in no more than 90 days, unless evidence is presented that indicates misinformation or possible criminal intent. In that case the Mayor and Town Council may extend the reporting time for a fixed period to fully investigate the allegations, or if the 90-day period is extended under paragraph (e) of this section. Before beginning work on the report, the members of the Special Review Committee must have been voted upon and approved by a majority of the Mayor and Town Council. The Special Review Committee shall consist of 2 members of the current Town Council and 1 member of the current Planning and Zoning Commission, none of whose terms expire for the expected duration of the business for which the Special Review Committee is appointed.
- (d) Before appointment, each individual under consideration for appointment shall disclose to the Mayor or the Town of Milton Integrity Commission, if such Commission exists within the Town, in writing, any real or potential conflicts of interest that may affect the individual's own objective consideration of the annexation petition request, including items that may suggest, or provide the appearance of, impropriety in the individual's serving on the Special Review Committee for an annexation petition. This requirement is to include conflicts, or potential conflicts as to the property, the property owners, financial or associated business interests, or any other official action or activity, involving the property. This information is in addition to filling out an Ethics Form, established by the Mayor and Town Council. A conflict or appearance of conflict does not automatically disqualify an individual from serving on the Special Review Committee, but must be fully disclosed, in writing, for consideration before appointment.
- (e) On the majority vote of the Mayor and Town Council approving each appointee to the Special Review Committee, the Special Review Committee is to begin work immediately to prepare a written report of the Special Review Committee's findings within 90 days, unless this period is extended for due cause.

-
- (f) The assessment by the Special Review Committee must consider the positive and negative impacts on the capacities and qualities of the Town of Milton's town systems and services, the impact on Milton taxpayers, and other elements, as determined necessary by the Mayor and Town Council in consultation with the Town Manager or designee. By a two-thirds vote approval by the Mayor and Town Council of the majority present, the Mayor and Town Council must determine if a cost/benefit analysis is to be prepared so as to further identify the advantages and disadvantages to the Town of Milton with regard to the annexation. The Special Review Committee of the Council may utilize the staff of the Town of Milton to assist in the conduct of the Special Review Committee's investigation as to the annexation advantages and disadvantages. The report must include a listing of the advantages and disadvantages of the annexation petition. On or before the end of the reporting period, the Special Review Committee must report back to the Mayor and Town Council, and include the Special Review Committee's conclusions as to the advantages and disadvantages to the Town of Milton of the annexation petition, the interest of the Town of Milton being the sole concern of the Special Review Committee. All meetings of the Special Review Committee must comply with the Freedom of Information Act, Chapter 100 of Title 29 of the Delaware Code.
- (g) On receipt of the Special Review Committee's report, the Mayor and Town Council shall vote to accept the report, reject the report, or refer it back to the Special Review Committee to accommodate new information. If referred back to the Special Review Committee, the report must be resubmitted to the Mayor and Town Council by the Special Review Committee at the next regularly scheduled meeting of the Mayor and Town Council and a vote must then be taken. If referred back to the Special Review Committee, the Mayor and Town Council must first vote to extend the due date of the report to the next regularly scheduled meeting of the Mayor and Town Council. If the report to the Mayor and Town Council on the annexation determines that the proposed annexation is advantageous to the Town of Milton, the Mayor and Town Council shall vote on the recommendation. If the Mayor and Town Council accept the report, then the Mayor and Town Council shall vote to refer the annexation petition to the Planning and Zoning Commission at the Commission's next duly noticed meeting. Referral of the annexation petition requires a simple majority vote of the Mayor and Town Council.
- (h) If the Special Review Committee concludes that the proposed annexation is disadvantageous to the Town of Milton, or if the Mayor and Town Council reject a report from the Special Review Committee that determined the proposed annexation is advantageous to the Town, the annexation petition is deemed rejected. In such a case, the property owner seeking annexation must wait 6 months from the date of the presentation to the Mayor and Town Council by the Special Review Committee before again petitioning the Mayor and Town Council for annexation. The procedures of this section apply to a property owner whose annexation petition is denied under this paragraph. The 6 month waiting period does not apply to a substantially different annexation petition.
- (i) On receipt of the Mayor and Town Council's referral of the annexation petition to the Planning and Zoning Commission, the Commission shall consider and discuss the annexation request at its next duly noticed meeting and shall review the annexation petition and conceptual site plan, if required, including the zoning classification requested by the property owner seeking annexation. After not more than 60 days the Planning and Zoning Commission shall make a recommendation on the zoning classification and transmit the recommendation and the Commission's comments on the annexation petition and conceptual site plan, if required, in writing, back to the Mayor and Town Council.
- (j) (1) At the Mayor and Town Council's next duly noticed meeting, following the Mayor and Town Council's receipt of the Planning and Zoning Commission's report on the annexation petition, conceptual site plan, if required, and recommendation for the zoning classification, the Mayor and Town Council shall schedule a public hearing on the annexation petition. The public hearing must be held not more than 30 days after the meeting at which the Mayor and Town Council consider the Planning and Zoning Commission's report.
- (2) Following the public hearing under paragraph (j)(1) of this section, the Mayor and Town Council shall, within thirty (30) days exercise one of the following options 30 days do one of the following:
- (A) Take a final vote on whether or not to approve the annexation request, in which case the vote to annex must pass by the affirmative vote of two-thirds of all the members of the Mayor and Town Council present and voting.
- (B) Vote by simple majority, to hold a Town of Milton town-wide referendum on the annexation petition.
- (3) The Mayor and Town Council may add conditions to the terms of annexation, by simple majority vote, before the final vote on the annexation petition.

- (4) If the Mayor and Town Council vote to accept the annexation petition, implementation of this decision must wait 30 days, during which the citizenry of Milton have up to 30 days to file a petition with the Town Manager or designee requesting that a referendum be held on the Town Council's decision to annex.
- (5) The petition for referendum must include over 10% of Milton's registered voters. The referendum must be held within 45 days following the filing of the petition for referendum with the Town Manager or designee.
- (k) If a referendum on a petition for annexation is to be held, the Mayor and Town Council shall instruct the Town Manager or designee to schedule a special referendum on the annexation petition. If the Mayor and Town Council vote in favor of a referendum, the Mayor and Town Council shall order that a special referendum vote be scheduled no later than 45 days after the Mayor and Town Council's vote. The annexation petition must be passed by a majority vote of the citizens of the Town of Milton who voted, and results of the referendum vote are binding.
- (l) At a special referendum, every non-resident property owner, whether an individual, partnership, or an artificial entity in The Town of Milton has 1 vote. Every resident citizen of The Town of Milton over the age of 18 years whether a property owner or not has 1 vote. The books and records of The Town of Milton in the case of non-resident property owners, and a copy of the required personal identification in the case of resident citizens of the Town, are conclusive evidence of the right of the property owners and citizens to vote at the special referendum. A single eligible person or entity may not enter more than 1 vote, even if the person or entity qualifies to vote under more than one of the applicable criteria. The votes in the special referendum may be cast either in person or by absentee ballot. The Board of Election of the Town of Milton shall supervise any special referendums held under this Charter.
- (m) The notice of the time and place of a special referendum must be provided as follows within 15 days immediately following the vote or petition to hold a special referendum and at least 15 days before the date set for the special referendum:
- (1) Be published in at least 1 newspaper having a general circulation in the Town of Milton.
 - (2) Be posted in 4 public places, including the Town bulletin board.
 - (3) Be posted on the Town of Milton website.
- (n) Following the 30 day hold period to accommodate the filing of a petition for a referendum under paragraph (j)(4) of this section, if a petition is not filed, and if the Mayor and Town Council have cast a favorable vote for annexation, the Mayor and Town Council shall cause a description and a plot of the territory annexed to be recorded in the Office of the Recorder of Deeds, in and for Sussex County. The recordation must be completed within not more than 120 days following the date of the final favorable vote by the Mayor and Town Council, or, in the case of a special referendum, within not more than 120 days after the special referendum. The territory considered for annexation is a part of The Town of Milton from the time of recordation. The failure to record the description or the plot within the specified time causes the annexation petition to be tabled. Failure to achieve recordation in the 120 day period requires the Mayor and Town Council to vote again on the annexation petition, whether or not the Mayor and Town Council, or qualified voters of Milton in a referendum, have voted on the annexation petition.
- (o) All territories proposed to be annexed, including those territories as defined by Title 22 of the Delaware Code as exempt from taxation, or which are not assessed on the books on the Board of Assessment of Sussex County, are required to follow all the processes and procedures required for annexations to the Town of Milton. The Mayor and Town Council and the Milton Planning and Zoning Commission must proceed in the same manner as required of any annexation petition with the exception of those parcels 2 acres or less.
