When a copy of the praecipe with instruction has been so mailed, the City shall file or cause to be filed an affidavit of mailing in the Office of the Prothonotary. The mailing of the praecipe with instructions and the filing of the affidavit shall be deemed to be a complete discharge of the City's duty to give notice to the person against whom taxes or charges are sought to be collected, whether or not the receipt of the registered mailing is returned. If no payment or appearance is thereafter made within thirty (30) days of mailing, the Prothonotary shall make a record of the same on a special judgment docket of the Superior Court, against the property mentioned or described in the praecipe, which record shall consist of the following:

(1) The name of the person in whose name the assessment was made;
(2) The description of the property as the same shall appear upon the assessment rolls;
(3) The year or years for which the taxes are due and payable;
(4) The date of filing of such praecipe; and
(5) The amount of the judgment, the same being the amount set forth in the praecipe.

Such judgment shall be indexed in the appropriate judgment docket.

Thereafter upon a praecipe for monition filed in the Office of the Prothonotary by the City, a monition shall be issued by the Prothonotary to the Sheriff of New Castle County, which monition shall briefly state the amount of the judgment for the taxes and charges due and the years thereof, together with a brief description of the property upon which the taxes and charges are a lien. A description of such property as same shall appear upon the assessment rolls so prepared shall be a sufficient description. The monition shall be in substantially the following form:

To all persons having or claiming to have any title, interest or lien upon the within described premises, take warning that unless the judgment for the taxes or assessment stated herein is paid within twenty (20) days after the date hereof, or within such period of twenty (20) days evidence of the payment of taxes or assessment herein claimed is filed in the office of the Prothonotary, which evidence shall be in the form of a receipted tax or assessment bill or duplicate thereof, bearing date prior to the filing of the lien in the Office of the Prothonotary for New Castle County, the City of New Castle may proceed to sell the property herein mentioned or described for the purpose of collecting the judgment for the taxes or assessments herein stated.

The monition, or a copy thereof, shall be posted by the Sheriff upon some prominent place or part of the property against which the judgment for the taxes or assessment is a lien, and the Sheriff shall make due and proper return of his proceedings under the monition to the Prothonotary, within ten (10) days after the posting of the monition.

Alias or pluries monition may issue upon like praecipe. The posting of the notice as herein required shall constitute notice to the owner or owners and all persons having any interest in the property.

At any time after the expiration of twenty (20) days next following the return of the Sheriff upon the monition, unless the judgment together with costs has been paid prior to the expiration of the twenty (20) days, evidence of the payment of such taxes evidenced by a receipted tax or assessment bill or a duplicate thereof bearing date therefor prior to the filing of the lien for record in the Office of the Prothonotary, then upon application in writing by the City of New Castle, a writ of venditioni exponas shall issue out of the Office of the Prothonotary directed to the Sheriff commanding the Sheriff to sell the property mentioned or described in the writ and make due return of his proceedings thereunder in the same manner as is now applicable with respect to similar writs of venditioni exponas issued out of the Superior Court. The property shall be described in the writ under the description thereof as it appears on the assessment rolls and by metes and bounds where obtainable, but nothing herein contained shall be construed to invalidate a writ or a sale pursuant thereto containing only the description as it appears on the assessment rolls or a writ bearing only a description by metes and bounds. The writ shall be substantially in the following form:

Section 20. Borrowing for Current Operating Expenses

(a) Whenever the needs of the City require more money than is, at the time, in the City treasury from current receipts, the Council is authorized and empowered to anticipate current revenue by borrowing such amounts as are needed. The aggregate amount of outstanding principal from any such borrowing or borrowings under this paragraph may not exceed $500,000.00. Any borrowings under this paragraph must, by their terms, be repayable in full within 13 months of the date of each such borrowing or the maximum time period permitted under Federal tax law, whichever greater.

(b) To exercise the power under paragraph (a) of this section, the Council must adopt a resolution to that effect, which resolution must be by roll call and require the affirmative vote of at least a two-thirds majority of all members of the Council. The indebtedness created under this provision must be secured by a promissory note or notes or other evidence of indebtedness of the City, and the full faith and credit of the City may be deemed to be pledged thereby, and no officer nor Council member is personally liable for the payment of such notes because it is signed by them as officers of the City, and is authorized by a resolution of the Council. Such short-term debt must not be considered as part of the bonded debt of the City when limitations under indebtedness, as set forth elsewhere in this Charter, are computed.

Section 21. Borrowing for Capital Expenses

(a) The Council of the City of New Castle may borrow upon the full faith and credit of said City, a sum or sums not to exceed one and two-tenths percent (1.2%) of total assessed value of the real estate in said City in principal amount outstanding at any one time, for capital expenditures, pursuant to a resolution following public hearing, passed by a two-thirds majority of all members of Council, and give its obligation therefore, subject to a twenty percent (20%) borrowing limitation set forth in Section 21(b). All obligations or bonds authorized by this Section must be signed by the President of Council and countersigned by the Treasurer, and sealed with the corporate seal. The Council of the City of New Castle shall determine the form of the bonds or certificates of indebtedness authorized under this section, if any, the time or times of payment, the interest rate, the classes, the series, the maturity, the registration, any callable or redeemable feature, the denomination, the name thereof, and any other relative or appurtenant matter pertaining thereto. All bonds or other kinds or forms of certificates of indebtedness issued by the City pursuant to the provisions in this Section, and the interest thereon, are exempt from taxation from the State of Delaware or any political subdivision thereof. The aggregate principal amount of debt outstanding from any such borrowing or borrowings under Section 21(a) may at no time exceed one and two-tenths (1.2) percent of total assessed value of the real estate in said City.

(b) The Council of the City of New Castle may borrow money for municipal purposes of any character whatsoever, upon the full faith and credit of said City, secured by revenues pledged to secure and repay such indebtedness, or both, and issue bonds or other evidence of indebtedness, but in no case shall the total indebtedness of every kind (including amounts borrowed pursuant to Section 21(a), but exclusive of amounts payable solely from revenues or borrowed pursuant to Section 20) exceed twenty percent (20%) of the then last assessed value of all real estate in said City. Before borrowing any sums (other than sums borrowed pursuant to Section 20 or Section 21(a) hereof) the Council shall submit to the qualified voters of said City the question of borrowing such sum or sums of money, and such borrowing shall not be authorized unless first approved by a majority of the votes cast at a special election to be held for that purpose. Notice of
such special election stating the amount proposed to be borrowed (which may be stated as a not-to-exceed amount) and, when borrowed, what the aggregate of the municipal indebtedness will be, and the purpose to which the loan will be applied, shall be posted according to Delaware law at least ten (10) days prior to said special election.

(c) At such special election, any person who is entitled to vote in the annual City election, if it were held on that day, shall be entitled to vote. The said election shall be by ballot or voting machine, if required by State law, and under like provisions and by like officers as herein provided for holding general municipal elections. The ballots shall be printed ‘For Bond Issue’ or ‘Against Bond Issue’ (or if for multiple projects, ‘For’ or ‘Against’ a Bond Issue in an aggregated stated principal amount for a stated project. If a majority of the votes cast be ‘For the Bond Issue’ (or if multiple projects, For Bond issue in the aggregate principal amount for a stated project), then the Council shall have the authority to borrow the sum or sums of money and issue the bonds therefore, pledging the full faith and credit of said City.

(d) If revenue bonds are issued, each such bond shall recite in substance that said bond, including interest therein, is payable from the revenue pledged to the payment thereof, and that said bond does not constitute a debt of the City of New Castle within the meaning of the bonded indebtedness limitation contained in Section 21(b) above provided, however, that in the event of some emergency, the City may temporarily borrow, advance or loan such amount as is necessary to meet current interest on outstanding bonds, such advance or loan to be repaid to the City of revenue subsequently received from the undertaking. If revenue bonds are issued, the Council shall prescribe and have collected reasonable rates, fees or charges for the service, facilities and accommodations of said undertaking and shall revise such rates, fees or charges from time to time whenever necessary so that such undertaking shall be and always remain self-supporting. The rates, fees or charges prescribed shall be such as will procure revenue at least sufficient to pay, when due, all bonds and interest thereon the payment of which such revenue is or shall have been pledged, charged or otherwise encumbered, including reserves therefore, and to provide for all expenses of operation and maintenance of such undertaking, payments in lieu of taxes, depreciation and other reserves. Any bonds or indebtedness secured by both revenues and the full faith and credit of the City, shall be subject to the limitations contained in Section 21(b).

(e) In connection with development plans, the Mayor and Council have the power to impose, upon new development or construction, upon first-time occupancy of new construction, or upon annexed property such 'impact fees' as are reasonably calculated to recover the proportionate cost of installing, enlarging, improving or expanding public or municipal improvements including sewer, water, electric, gas, roads, parking, police and parks and to contribute to the costs of operations of those volunteer fire companies and/or ambulance/paramedic companies providing services within the City.

(f) Any bonds, notes or evidence of indebtedness issued pursuant to this Section and the interest thereon shall be exempt from taxation by the State of Delaware, its agencies and political subdivisions. The form of the bonds or certificates of indebtedness authorized under this Section, if any, the time or times of payment, the interest rate, the classes, the series, the maturity, the registration, any callable or redeemable feature, the denomination, the name thereof, and any other relative or appurtenant matter pertaining thereto shall all be determined by the Council of the City of New Castle, by resolution. Any such bonds, notes or evidences of indebtedness may be sold in a public or private sale as determined by the said Council.

(g) If the City shall irrevocably deposit in trust with a Delaware bank or trust company that has offices in the State of Delaware, amounts sufficient, together with investment proceeds thereof, to pay principal and interest on indebtedness of the City when due and upon maturity or earlier redemption, such indebtedness shall not be deemed outstanding for purposes of the debt limitations contained herein. Any bonds or other debt instruments issued by the City to currently or advance refund-existing indebtedness shall not require a special election, provided that the refunding results in debt service savings to the City.

Section 22. Reserve Fund
The Council of the City of New Castle shall have authority to provide for a reserve fund for the redemption of any and all bond issues now outstanding against said City, or which may be hereafter issued by the City, at or before their maturity.

Section 23. Survival of Power and Validation
(a) This Act shall operate to amend, revise and consolidate, An Act to Re-incorporate the City of New Castle being 67 Del. Laws, Chap. 30 (1989), as amended by 69 Del. Laws, c. 344, and the various amendments and supplements thereto, and to repeal all such parts of said Act and its amendments and supplements as are manifestly inconsistent with the provisions of this Act. (b) All ordinances and resolutions heretofore lawfully enacted or adopted by the “The Mayor and Council of the City of New Castle,” “The Council of the City of New Castle” or the “Mayor and Council of New Castle”, and now in force, shall so remain until repealed, modified or altered by the Council of the City of New Castle under provisions of this Charter; all the acts and doings of the Mayor and Council of New Castle or any officers or employees of the City of New Castle lawfully done or performed under the provisions of any law of this State, or of any ordinance of the City of New Castle prior to the approval of this Act, are hence ratified and confirmed; all taxes, debts, fines or penalties, assessments and forfeitures due the Mayor and Council of New Castle shall be deemed to be due to the City of New Castle and debts due from the Mayor and Council of New Castle shall be deemed to be due from the City of New Castle and the same shall remain unimpaired until paid; and the power, right and authority to collect taxes imposed under the provisions of this Act, and the process which may be employed hereunder, shall be deemed to apply and to extend to unpaid taxes imposed under the Charter of the City of New Castle and all amendments and supplements thereto; the bonds given by or account of the Mayor and Council of New Castle shall not be impaired by or affect by the provisions of this Act, but the City of New Castle shall succeed to all benefits of said bonds; all valid laws heretofore passed relating to or concerning the Mayor and Council of New Castle or authorizing the borrowing of money and issuing of bonds on the credit of the Mayor and Council of New Castle shall be and remain valid and good as heretofore, and shall be unaffected and unimpaired by this Act.

Section 24. Severability Clause

If any provision of this Act or the application thereof to any provision or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Act which can be given effect without the invalid provision or application; and, to that end, the provisions of this Act are declared to be severable.
