Such regulation may, through ordinance, include:

- 10.1 Varying procedures for insuring the orderly processing of combining, partitioning, or land subdivision plans, within a reasonable period of time, relative to the number of lots or parcels and the extent of improvements required;
- 10.2 Procedures for insuring that the arrangement of the lots or parcels of land or improvements thereon shall conform to the existing zoning at the time of recordation, and that streets, or rights-of-way, bordering or within subdivided land shall be of such widths and grades and in such locations as may be deemed necessary to accommodate prospective traffic, that adequate easements or rights-of-way shall be provided for drainage and utilities, that reservations of areas designed for their use as public grounds shall be of suitable size and location for their designated uses, that sufficient and suitable monuments and signage shall be required, that land which might constitute a menace to safety, health or general welfare shall be made safe for the purpose for which it is subdivided, and that adequate provision for water supply is made;
- 10.3 Procedures for encouraging and promoting flexibility and ingenuity in the layout and design of subdivisions and land development, and for encouraging practices which are in accordance with contemporary and evolving principles of site planning and development;
- 10.4 Requiring, through dedication of land, money in lieu of land, 'impact fees' or otherwise, those subject to such regulation to provide, at their own expense, such municipal or public improvements (including enlargement, expansion, improvement, or enhancement of existing municipal or public improvements) which have a rational nexus to the proposed land subdivision, combining, or partitioning, including by way of example and not in limitation, the paving of streets, installation of sidewalks, curbs, storm sewers, water lines, sanitary sewer lines, electric distribution lines, street signs, access roads, playgrounds, parks, and open areas. In imposing such requirements, the Town may consider and take into account future as well as immediate needs, and potential as well as present population factors affecting the neighborhood in question;

- 10.7 Recording Unapproved Plans. In the event an ordinance of the Town so provides, no plat, plot, or plan of land shall be received for filing or recording by the Recorder of Deeds in and for Sussex County unless and until such plat, plot, or plan shall have been approved by the Town body so authorized to grant such approvals and the fact of such approvals shall have been endorsed in writing on such plan. Any such plot recorded in violation of this provision shall be voidable by action of the Town Council of the Town of Slaughter Beach.

giving rise to such injury shall notify the Town of Slaughter Beach in writing of the time, place, cause, character and extent of the injury sustained or damages suffered. Such notice shall be directed to the Mayor of the Town of Slaughter Beach by certified mail and return receipt requested and postage prepaid.

**§12. Indemnification.**

- 12.1 Subject to the limitations and conditions hereinafter set forth, the Town shall indemnify, from the general funds of the Town's Treasury, any person who is a party to, or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Town of Slaughter Beach itself) by reason of the fact that he or she is or was a Councilmember, Mayor, or other duly elected or appointed Town Official of the Town of Slaughter Beach, or arising out of actions taken by each or any of them in connection with the performance of their official duties, against expenses (including attorney's fees) judgments, fines, and amounts paid in settlement, actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Town, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Town of Slaughter Beach, and with respect to any criminal action or proceeding had reasonable cause to believe that his conduct was unlawful;
- PROVIDED HOWEVER, that, in the event of a monetary settlement, the Town Council shall first approve the amount and terms of the settlement before the right to indemnification shall vest.
- 12.2 Indemnification as provided in this ordinance shall be made by the Town only as authorized in the specific case upon a determination that indemnification of the Councilmember, Mayor, and/or Town Officer is proper in the circumstances because he or she met the applicable standards of conduct set forth above. Such determination shall be made:
- 12.2.1 By a majority vote of a quorum of the Town Council consisting of council members who were not parties to such action, suit or proceeding, or
- 12.2.2 If such a quorum is not obtainable, by independent legal counsel in a written opinion.
- 12.3 The right to indemnification hereunder shall be secondary to the coverages provided by any applicable policy of insurance and such policy(s) shall be construed and enforced as if no right of indemnification existed under this Charter. Nothing in this section shall eliminate or reduce the scope or amount of coverage that would otherwise be in effect under any applicable policy of insurance but for this section, and the right to indemnification shall be limited only to those amounts not covered by applicable policies of insurance.
- 12.4 Anything herein to the contrary notwithstanding, the right to indemnification shall be limited, per incident, to a sum not exceeding the Town's total tax revenues for the two fiscal years immediately preceding the incident giving rise to the claim.
